

RUBRIC ON CLASS PARTICIPATION

SOC360 SOCIOLOGY OF DISSENT

Spring2019

Dr. Rosa Vasilaki

	A	B	C	D/R
Frequency and Quality	Attends class regularly and <i>always</i> contributes to the discussion	Attends class regularly and <i>sometimes</i> contributes to the discussion	Attends class regularly but <i>rarely</i> contributes to the discussion	Attends class regularly but <i>never</i> contributes to the discussion

Contribution in the discussion is defined as:

- raising thoughtful questions
- analyzing relevant issues
- building on others' ideas
- synthesizing across readings and discussions
- expanding the class' perspective
- appropriately challenging assumptions and perspectives
