Faculty Testimonials

“

Everything was amazing - the trips, the lectures, classroom support, housing, dinners, and even help finding opera tickets! It was from our point of view a wonderful collaboration and the lectures and expert guides we had from faculty truly enriched the academic experience in so many ways. Thanks for working so hard to accommodate us in our classroom and other needs.

- **Dr. Eileen Sweeney, Boston College**

“

Thank you and the whole CYA team for your support of Carleton's first Greece program. We have been very pleased with your assistance and on-site services and students were exceptionally complimentary of your faculty and staff. We are very grateful for all you did to make our program a success!

- **Helena Kaufman, Carleton College**

“

THANK YOU for a fantastic, once-in-a-lifetime experience! One student said, "CYA was amazing and all the employees so full-hearted and inviting." I couldn't agree more. The guided experience and support you provided us was par excellence. The cooking class such a hit that we want to make it part of next year's class. Thank you for arranging everything so beautifully.

- **Dr. Angela Green, University of Mississippi**
